Radio Repair Charges – Mandya municipality

From

The Dy Commr Mandya Dt

No A 5-1227/47 48 Dt 23 1 48

Requests Sanction to an expenditure of Rs 323-2-0 towards the Repairs of the Radio and to meet the excess amount of Rs 183 2-0 over the Sanctioned allotment of Rs 150/ from the Closing Balance of the Municipality for 47 48 as Resolved by the Mandya Town Municipal Council at its meeting held on 29 11 47

1) The Repairs are stated to have been got executed by the Standard Radio Store, Bangalore who have charged Rs 323-2-0 the allotment made under "Radio Repairs and Licence fees" is only Rs 150/ out of which a sum of Rs 10/ has been paid towards Licence fee & the Balance of Rs 140/ only available

2) The Municipal Council at its meeting held on 29 11 47 has approved of these expenditure and proposes meeting the excess of Rs 183 2-0 (323-2-0 – 140-00)

cost of the closing balance, to enable payment being made to the firm

3) The abstract share of the budget for 47 as of Nandya town Municipality are as follows -

Opening balance	-	Rs 75,930/
Receipts	-	Rs 1,32,638/
Total	-	Rs 2,08,568/
Expenditure	-	Rs 1,80,247/
Closing balance	-	Rs 28,321/

4) As this is an unforeseen expenditure a draft GO sanctioning is put up for approval or other orders

Case 6/2/47 5) The cost of repairs has come to Rs 323-0, which is nearly as much as the cost of a new radio receiver set and appears to be exorbitant

6) In particular a sum of Rs 44-8-0 is charged both the words "Fee the amount of replacement bell" It is not clear whether this charge the repairing firm has made for replacement bell, or fixe of the same bell lost or lost in which case it would appear to be a strange and moderately heavy claim

7) The charges of Rs 6 of claimed also appear to be excessive even allowing for Rs class hours

Put up - Rs 6 for sanction and letter as above pending further particulars

Re Radio of the municipality

I have the honour to state that the Radio of this municipality had gone out of order and had to be got repaired The repair work was entrusted to the Standard Radio Clinic, Bangalore, in accordance with which the Radio was repaired by the firm and returned to this office with bills amounting in the aggregate to Rs 323-2-0 for payment as noted in the margin(vide separate sheet) *

The subject of paying the amounts of the bills received from the firm having been placed before the Council at their general meeting held on 29-11-47, the Council have approved of the payment of the bills amounting to Rs 323-2-0 the excess over the budget grant being met out of the Closing balance of the current year vide subject No 118/47 dated 29-11-47, an extract of which is herein enclosed for favour of kind perusal

The sanctioned budget of this Municipality for the year 1947-8 provided for an expenditure of Rs 150/- ~~xxxxx~~ towards the Radio repairs and license fees, out of which a sum of Rs 10/- for the license fee has already been exporded and thus there is only a balance of Rs 140/- for meeting the expenditure of repairs to the radio, as against Rs 323-2-0 which represents the claims of the firm for repairs done to the radio

As the claims of the firm which have to be admitted amount to the firm exceeds by Rs 183-2-0 over the sanctioned budget allotment of Rs 150/- I request you therefore kindly to obtain sanction of Government to accord their approval to the incurring of the additional expenditure of Rs 183-2-0 over and above the sanctioned budget allotment of this Municipality for 47-48, the expenditure on this account being met out of the Closing Balance of this Municipality of the current year as resolved by the Council at their General meeting held on 29-11-47

With reference to your letter No 1227/47-48, dated 23rd Jan 48, on the above subject, I am directed to observe that the ~~cost~~ effort of Rs 1, the Rs 323-2 o towards the radio repairs appears abnormally high, being almost as much as the cost of a new radio receiver set itself. It is further not clear whether the sum of Rs 44-8 o, included under the head "Add the amount of duplicate bill," represents the charge claimed by the firm for sending a duplicate bill, in place of the original, one ~~bill~~ mislaid or lost, in which case it would appear to be a strange and heavy claim. The travelling expenses of Rs 66/ claimed is also excessive even allowing ~~for~~ " charges ~~of~~ ~~three~~ ~~persons~~ It is not clear whether quotations were called for for competitive rates for carrying out repairs to the radio

Re - Payment of Radio Repairs charges by the Mandya Town Municipality

---

With reference to your Memo No. A5 1427/47 dated 8-3-48 - - forwarding copy of letter No. I 140-42/ dated 27-3-1948 received from the Secretary to Government, Revenue Department, Bangalore, regarding the above, I have the honour to state that the amount of Rs 323-2-0 mentioned in the details furnished by the firm was only the claims of the firm preferred through his bills mentioned therein. The sum of Rs 44-8-0 seen to have been added to the claims representing the claims of the duplicate bill sent by the firm is in respect of an original bill said to have been furnished by the firm which was not received having been mislaid and as such the duplicate bill in view of the above mislaid bill was removed from the firm and included in the total.

His claims for travelling allowances etc., have since - - been limited to Intermediate Class Railway Fare with a Daily - allowance to cover up his incidental expenses at Mandya. The Comparative statement of claims preferred and claims admitted - - by this office is herewith enclosed for kind perusal from which it could be kindly seen that the claims have been limited to the minimum possible and no other curtailment in the claims so limited may also be made.

In this connection several other firms at Bangalore were also consulted to furnish their estimates for repairs and since no reply was received from any of the firms, the repairs to the radio was entrusted to the firm under reference. The claims preferred and admitted represents the repairs actually effected to the radio which were found absolutely necessary while carrying out the reparips to the same.

I request that Government may kindly be addressed to accord approval to the payment of the claims of Rs 248-2-0 admitted by this office.

With reference to your Memo No A5-1227/47-48 dated 9-6-48 forwarding copy of letter No L 17151 dated 27-5-48 received from the Secretary to Government, Revenue Department, Bangalore regarding the above and calling for a detailed report on all the points of observations made therein, I have the honour to state that the charges for repairing the radio amounting to Rs 248-2-0 have already been paid in favour of the firm in full settlment of all their claims No expenditure on account of repairs to the radio has been incurred during 1946-47 and it is only the correspondence that has been going on since 45-46 between the firm and the Municipality on the subject matter of the correspondence The expenditure of Rs 248-2-0 incurred therefore is only during 47-48 and not during 46-47 The claims of the firm totalling in all to Rs 323-2-0 haveing been found too excessive, the same were reduced to Rs 248-2-0 in consultivation with them and it is only after the consent of the firm that the claims were passed limiting to Rs 248-2-0 and paid to them in view of the fact that their claim were very old and that the payment of the same at the amount limited to Rs 248-2-0 was accepted by the firm immediately To avoid delay in reducing the claims and then to obtain sanction of Government and with a view to settling the long pending old claims of the firm a recommendation was made from this office to obtain sanction of Government to the amount of the bill in the aggregate, subject to subsequent adjustments and reductions of the claims which were found to be excessive particularly in the case of claims preferred by the firm in respect of journey performed to and from Mandya from Bangalore A reference in this office have been made to the Radio Engineering , Co , Philips House, Mysore in this ofifce letter of A1-OC 146-45-46 dated 9-11-45 requesting them to test the radio and the loud speaker f for purposes of furnishing an estimate for repairs etc , no reply was - received from the firm cited above Hence, the work was entrusted to th standard Radio Clinic, Bangalore after getting the radio inspected and - tested by the firm

In view therefore of the above facts, I request that the action taken in paying the claims of the Standard Radio Clinic, Bangalore amounting to Rs 248-2-0 limiting the same to the barest minimum possible may - kindly be got approved and sanction of Government obtained for the expenditure already incurred as already recommended The sanctioned budget of 47-48 provides for an expenditure of Rs 150/- towards repairs of Radio and license fees and excepting the sum of Rs 10/- paid for the renewal of the license fees for 47-48, the net excess over and above the sanctioned budget will be Rs 248-2-0 — 140/- or Rs 108-2-0 as against Rs 183-2-0 reported by this office in this office letter No A1-OC 41/47 dated 11-12-47 and therefore request that sanction of Government for the expenditure - incurred in excess of the sanctioned budget for 47-48 (Rs 100-2-0) may kindly be obtained and commmunicated early
